

Discharge Criteria

We hope that by utilizing the services we offer, you and your family will reach the goals we strive to achieve together. There are several reasons that you may not receive services with Eclectic Therapeutic Connections, PLLC. We have listed a couple more common reasons for discharge from services with us. We will work with you to avoid any obstacles in your progress.

- Change of address/contact information – please notify us ASAP of any changes. If appointments are missed consistently or there has been no contact within 30 days, we will need to discharge.
- Loss of Medicaid/Health Choice – please inform us of resubmission or we can refer you to non-insured funding sources
- If services not meeting the need, a higher level of care may be necessary. We will discuss with you and offer referral sources that we can access. (You may also decide that you no longer want the service or wish to seek out another provider. You are free, at any time, to do this. We hope that your discharge means that you have reached your treatment goals. In that event, we will work with you to plan a discharge and any follow up / community services you may need.
